ABOUT THE EVENT

The Two-Day International Seminar on "Legal Pathways to Sustainable Development: Exploring the Intersection of Law and the UN SDG" is a significant event with the main theme of "Exploring the Synergy Between Law and Sustainable Development: Legal Innovations for Achieving the UN SDGs in India." This event is designed to delve into the critical role of legal frameworks and policies in achieving the United Nations Sustainable Development Goals (SDGs) in India. The seminar will be held in a hybrid format, allowing for greater accessibility and an increased reach of the discussions. It aims to bring together a diverse group of participants, including students, academics, and professionals from the legal field, to engage in discussions, debates, and the proposal of innovative legal solutions for addressing sustainable development challenges.
