ABOUT
TheLegalVoice

The Legal Voice is a pioneering legal startup committed to enhancing legal education through dynamic and interactive courses, workshops, and webinars. Incorporated as **VOICEIX EDUTECH LLP** and registered as an **MSME under the Government of India**, our mission is to make high-quality legal education accessible to everyone, covering a wide range of legal subjects beyond the traditional law school curriculum.

ABOUT
Indian Kanoon

Indian Kanoon, India's top legal database since 2008, simplifies legal research by making laws and judgments easily searchable and accessible. Its advanced tools, including a virtual legal assistant, query alerts, and note-taking features, empower users to navigate statutes, case laws, and judicial interpretations effortlessly.

By linking legal texts with relevant court decisions, Indian Kanoon provides a seamless and comprehensive research experience, making it an indispensable resource for understanding and exploring India's legal system.

About the Speakers

ASMA KHAN
Associate, Saikrishna and Associates

Asma Khan is currently an Associate at Saikrishna & Associates, specializing in intellectual property and legal research. Her journey with the firm began as an Assessment Intern, followed by a Legal Internship, where she developed skills in litigation and advisory support. She has also interned with notable firms including Khurana & Khurana, Infosys, Aekom Legal, and Singh & Singh Law Firm LLP, gaining a comprehensive foundation in corporate and IP law.

ATUL JAYBHAYE
Assistant Professor, HNLU, Raipur

Dr. Atul Jaybhaye is an Assistant Professor of Law at Hidayatullah National Law University, Raipur, Chhattisgarh, India. He heads the Centre for Internet Governance and Artificial Intelligence at HNLU. Dr. Atul writes in Cyber Law, Criminal Law, and IPR. He has more than 9 years of teaching experience. Before joining HNLU, he worked as an Assistant Professor for 3 years at the Government Institute of Forensic Science, Aurangabad.

ANJALI GUPTA
Data Protection, Compliance & Privacy Specialist, EY

Anjali Gupta is a Data Protection Specialist with 6+ years of experience in privacy compliance and data protection strategies. She has worked across industries, contributing to GDPR, CCPA, and DPDPA compliance frameworks. Specializing in risk assessments, data mapping, incident management, and policy development, Anjali helps organizations navigate complex regulatory landscapes. A gold medalist in law from Amity University Lucknow, she is passionate about fostering trust and resilience through robust data protection practices.

About the Speakers

ADV. SAADIYA SADIQ
Legal Executive, Trade Dog

Adv. Saadiya Sadiq is a legal professional specializing in corporate law, Web3, and crypto regulations. Currently a Legal Executive at TradeDog Group and InfotechHub, she brings expertise shaped by internships and academic excellence in law. She has a strong background in legal consulting, document drafting, and regulatory compliance. Passionate about emerging technologies, Saadiya is dedicated to advancing legal solutions in innovative industries.

HIMANSH WADHWA
Lawyer, Semantic Legal Analyst, Indian Kanoon

Himansh, a Lawyer and Legal Semantic Analyst, specializes in AI models for the legal industry. With degrees in Political Science (Hindu College), Law, Politics, and Society (Ambedkar University), and an LLB (Delhi University), he leads AI-driven projects at Indian Kanoon Software. His work focuses on automating legal document classification and rule-based text categorization. Passionate about justice, Himansh explores technology's role in legal frameworks to enhance access to justice.

SHRUTI KAUSHIK
Law and Media Researcher, Semantic Legal Analyst, Indian Kanoon

Shruti, a New Media and Law researcher from Delhi, is a Semantic Legal Analyst at IndianKanoon. She manages products and trains legal datasets for Machine Learning to improve public access to legal data. Shruti has contributed to two released products. Previously, she led a Sarai (CSDS, Delhi) project on "Government Response to Misinformation," focusing on digital news, takedown notices, and judicial cases targeting journalists, dissenters, and public figures.
