NATIONAL LAW UNIVERSITY ODISHA

National Law University Odisha (NLUO) was established in the year 2009 by Act IV of 2008 of the State of Odisha. NLUO is an unparalleled addition to the Indian National Law Universities located in Cuttack, a city dating back over a thousand years, it boasts a rich legal heritage with the seat of Orissa High Court situated here. It is, thus, no surprise that some of the finest lawyers and judges, including two of the former 02 Chief Justices of India, trace their roots back to this city.

Within a short period, NLUO has made its mark as a university engaged in teaching and research in law. It aims at imparting world-class education with relevance to the practical world. The faculty members regularly publish in journals of repute and have been awarded by national and international agencies for their contribution and scholarship. NLUO has made a name for itself by earning laurels with the excellent performance of its students in various tournaments and competitions, especially in the moot court competitions. The stunning performance of the University in some of the most reputed international moot court competitions like Oxford Price Media Law Moot, Philip C. Jessup International Law Moot, Ian Fletcher International Insolvency Law Moot, Kings College London Competition Law Moot etc. stand as a testament to it.

ABOUT THE MOOT SOCIETY, NLUO

The Moot Society is the official body of NLUO, which oversees mooting activities in the University. With an aim to promote a healthy mooting culture at NLUO, The Moot Society is determined to brandish the competitiveness of NLUO across the mooting fora worldwide.

The Moot Society enjoys the mandate to coordinate all aspects of the University's involvement with mooting, which includes organising the annual NLUO - Bose & Mitra Co. International Maritime Arbitration Moot, which is on its 12th edition. Further, it organizes numerous intra university moot court competitions. It coordinates lectures and workshops by experts as well as informal coaching sessions on a regular basis.

Moreover, NLUO boasts a policy of extending financial assistance to students for participating in national and international level moot court competitions.

PUBLIC HEALTH LAW NATIONAL
MOOT COURT COMPETITION

THE 4TH NLUO BHARAT BIOTECH PUBLIC HEALTH LAW NATIONAL MOOT COURT COMPETITION 2025

NLUO takes pride in pioneering the development and teaching of 'Public Health Law' as a specialised course in India. It offers a streamlined study of 'Public Health Law' as an elective course. The Covid-19 pandemic has put a spotlight on the subject, yet there is a need for broader engagement with administrators, academicians, lawyers, and law students across the country to critically analyse the role of law in making health a realizable goal and ensuring distributive fairness in the allocation of critical health infrastructure.

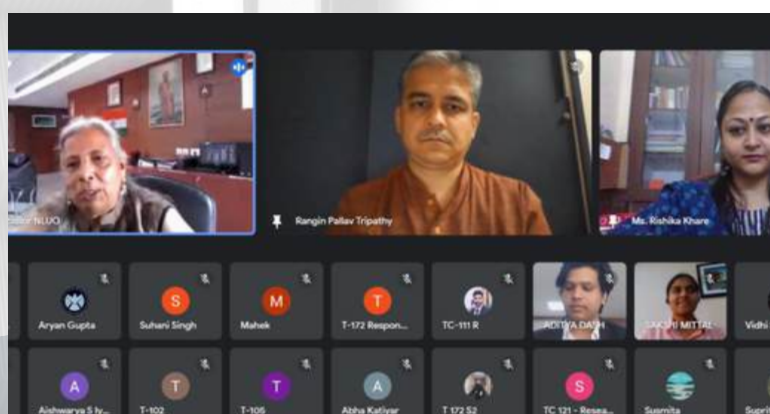

The 4th NLUO Bharat Biotech Public Health Law National Moot Court is being held with the aim of expanding and involving law students across the country to learn about the legal rules and principles that form the bedrock of public health apparatus. The purpose of this edition is to armour budding lawyers with research skills and arguments on the growing tussle between the public health issue of obesity and the private corporate interest to push for food which may be harmful to human health.

COMPETITION TIMELINE

3RD NLUO - PHFI PUBLIC HEALTH LAW NATIONAL VIRTUAL MOOT COURT COMPETITION 2024

National Law University Odisha's Centre for Public Health Law in association with the Public Health Foundation of India organized the 3rd edition of the Public Health Law National Virtual Moot Court Competition from 7th - 10th September, 2023. The Moot problem dealt with the ongoing tussle between the public health issue of obesity and the private corporate interest to push for addictive 'junk' food. The competition saw participation from 90 teams from all across the country. From Partners to Senior Supreme Court advocates, over 80 eminent personalities of the legal fraternity judged the oral rounds over the course of 4 days.

TITLE SPONSOR

Bharat Biotech is a global leader in vaccine innovation and bio-therapeutics. Its mission is to address the healthcare needs of people worldwide, especially in developing countries. With 220 patents and a presence in over 125 countries, they have delivered over 9 billion vaccine doses.

Their pioneering achievements include the world's first eco-friendly recombinant Hepatitis-B vaccine, a Rotavirus vaccine from a naturally attenuated strain, and a Typhoid Conjugate vaccine. They also developed vaccines for Chikungunya and Zika, alongside REGEN-D, a leading product for diabetic foot ulcers and burns.

Supported by world-class research and USFDA, KFDA, and WHO-approved manufacturing facilities, their 1,800-strong team of scientists and professionals ensures the highest standards of innovation and quality. Transparency, integrity, and rigorous clinical trials are central to their operations as they strive to offer safe, affordable, and effective healthcare solutions for the world's most pressing health challenges.

CENTRE FOR PUBLIC
HEALTH LAW

NATIONAL LAW UNIVERSITY ODISHA

ACADEMIC PARTNER

Centre for Public Health Law was established in January 2021 by the Hon'ble Vice- Chancellor, NLUO to promote research in the field of public health laws. It aims to inquire into the paradigm of legal entitlements of people under the right to health and strategise the use of law to promote health equity. In advocating measures for improving the health of the people, we emphasise that public health policies must respect human rights and civil liberties.

Apart from research, the Centre provides guidance and consultancy to government and non-government organizations on health policy. We critically scrutinize the compatibility of various public health policies and programs with the fundamental rights regime. The Centre is working collaboratively with two expert public health organizations i.e. International Union against Tuberculosis and Lung Disease and the Public Health Foundation of India.
