About Indian Kanoon

Indian Kanoon, India's top legal database since 2008, simplifies legal research by making laws and judgments easily searchable and accessible. Its advanced tools, including a virtual legal assistant, query alerts, and note-taking features, empower users to navigate statutes, case laws, and judicial interpretations effortlessly. By linking legal texts with relevant court decisions, Indian Kanoon provides a seamless and comprehensive research experience, making it an indispensable resource for understanding and exploring India's legal system.

About TheLegalVoice

TheLegalVoice is a premier legal education platform, incorporated as **VOICEIX EDUTECH LLP** and registered as an **MSME under the Government of India**. We offer expert-led courses, workshops, and webinars, bridging the gap between academic learning and practical legal expertise. Our mission is to make high-quality, practice-oriented legal education accessible to students, professionals, and researchers.
